

A summary of the adult social care sector and workforce in Nottingham 2023/24

Skills for Care is the strategic workforce development and planning body for adult social care in England. We work with employers, Government, and partners to ensure social care has the right people, skills, and support required to deliver the highest quality care and support, now and in the future. Our role is to respond and adapt to the emerging trends and needs within social care,

Across England, the vacancy rate has decreased compared to last year and the number of filled posts has increased. During
